Announcements

DoD SAFE is approved for CUI/PII/PHI file exchange, but files must be encrypted. [How do I encrypt files?](#)

Army users experiencing authentication issues, contact the [Army Enterprise Service Desk \(AESD\)](#).

Send and receive up to **CUI/PII/PHI** files (up to 8 GB total) using Department of Defense (DoD) Secure Access File Exchange (SAFE)

IMPORTANT

- DoD SAFE is NOT to be used for contract solicitation or proposal submission. Use the [Procurement Integrated Enterprise Environment \(PIEE\)](#) for time-sensitive submissions.
- DoD SAFE does NOT guarantee a delivery time. Please allow up to 4 hours for delivery.
- File transfers of malware or malicious files are not supported.
- Files must be picked up within 7 days of Drop-off. After that, files are automatically deleted from DoD SAFE.
- File size, customer network connection, connection type, and number of files are factors in the total upload/download time of files. DoD SAFE is not recommended for time sensitive file transfers.

ADDING RECIPIENTS

- From this page, add the OSS help desk as the name and place the email address below.
- Click “Add & Close”.
- OSS Help Desk Email:
- dha.san-diego.San-Diego-NMC.mbx.oss-help-desk@health.mil

ADDING NOTES AND ENCRYPTING

From this page:

- Add any pertinent information that staff need to know.
- Add other contact information, such as phone numbers.

After the note, please click “Encrypt every file” and proceed to the next slide.

PLEASE NOTE

NO CLASSIFIED INFORMATION IS ALLOWED ON DOD SAFE

Any files containing CUI, PII and/or PHI must be encrypted in accordance with DoD policy prior to uploading or by checking the Encrypt every file box in this form! [Cyber.mil](#) clarifies policies about transmitting CUI, PII and PHI.

It is the user's responsibility to only send files containing CUI, PHI and PII to cleared recipients with appropriate safeguards to protect the information.

DO NOT send files to organizational mailboxes or distribution groups, as there is no way to guarantee that only cleared recipients can access the files.

Uploaded files are scanned for viruses.

Do not share or disclose drop-off information in public forums.

This web page will allow you to drop-off (upload) one or more files (up to 8 GB total) for anyone (either a DoD user or others). The recipient will receive an automated email containing the information you enter below and instructions for downloading the file.

DoD SAFE does not guarantee delivery of documents within a specified time period under 4 hours. File transfers of malware or malicious files are not supported.

COMMONLY MISSED INFORMATION FOR DEPENDENTS

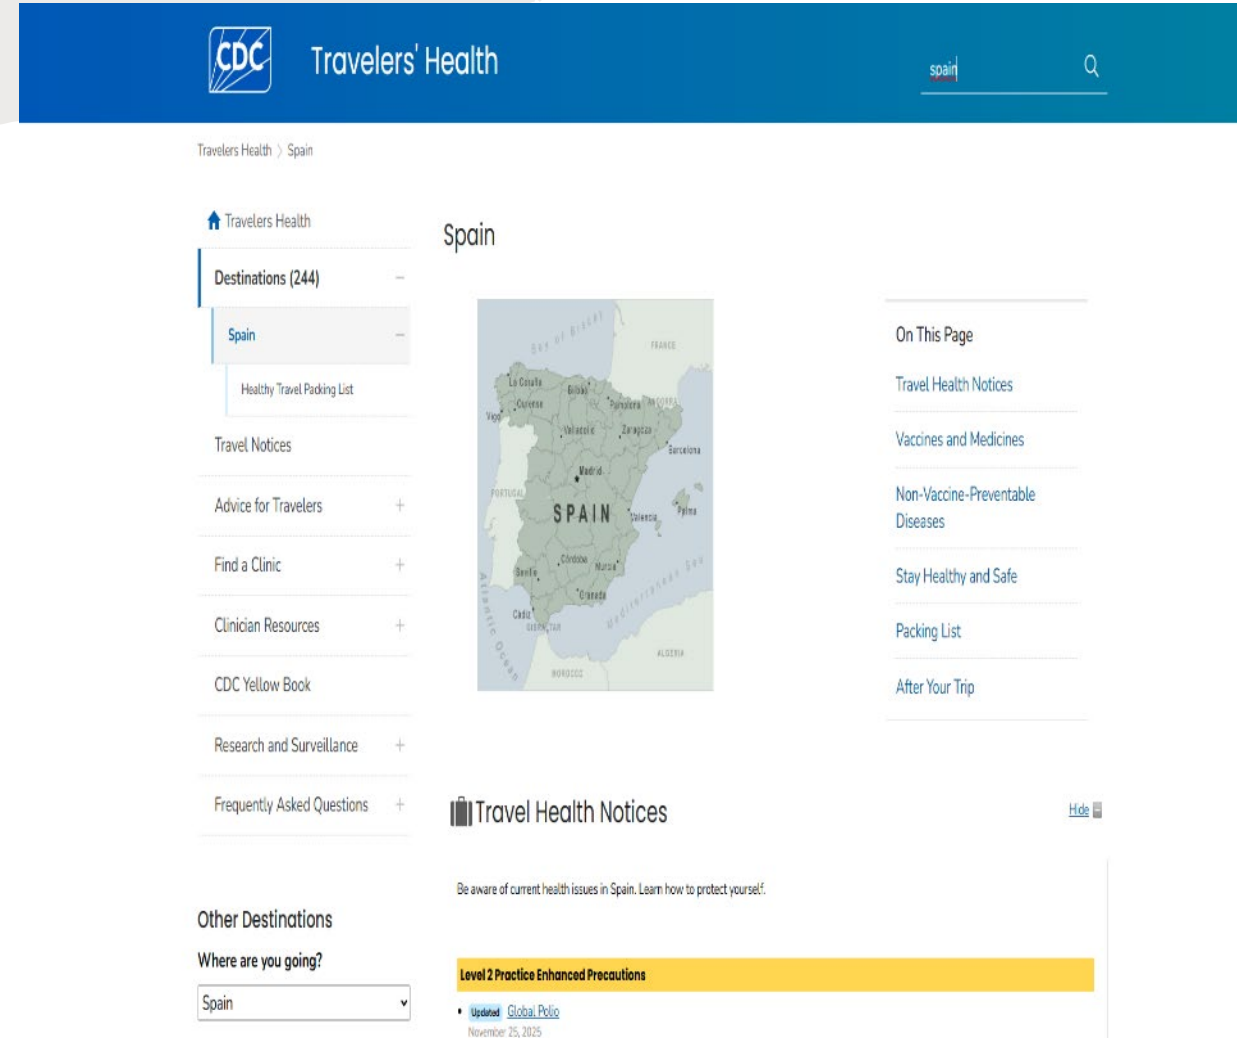

USPSTF website is used for recommendation guidance –utilize top right search for topic.

<https://www.uspreventiveservicestaskforce.org/uspstf/recommendation-topics>

- Physical- Full physical exam to include clear Review of Systems. Printed exam required if seen by a non-military treatment facility for medical, (a visit summary will not suffice).
- Enroll in genesis if never seen at Military Treatment Facilities. Call 619-532-8366
- Mammogram- annual for females over 40
- Pap Smear- every 3 years for women under 30 with normal results; every 5 years for women over 30 with normal results (Pap with HPV).
- Colonoscopy- required for Male and Females Over 45
- Dental- Dental signs the 1300/1 Dental Page and a co-sign from a Military Treatment Facility dental officer. If seen by a civilian dentist, a dental physical should be completed within past 12 months and visit notes with X-Rays will need to be with package and provided to a MTF Dental for dental co-sign on 1300/1.

Immunizations

- Immunizations are recommended for all dependents but not required; however, not getting immunizations will require an inquiry to the gaining command. The gaining command may disqualify you for this reason. Due to need for inquiry, please expect more time to complete the suitability packet.
- For questions about immunizations and requirements, please utilize military orders and <https://www.cdc.gov>. The search engine in the top right can be used to research the country vaccine requirements on the respective Traveler's health page or individual vaccine information.
- JEV (Japanese Encephalitis Vaccine), typhoid, anthrax and other travel vaccines will only be provided to members and dependents with approved suitability packages, when needed.
- If there isn't access to current vaccination records, blood titers can be completed at a Military Treatment Facility Laboratory. This test can be ordered from an immunization clinic or Primary Care office.

The screenshot displays the CDC Travelers' Health website for Spain. The top navigation bar is blue with the CDC logo and the text "Travelers' Health". A search bar on the right contains the word "Spain". Below the navigation bar, the page title "Spain" is centered. On the left, a sidebar menu lists various resources: "Destinations (244)", "Spain" (selected), "Healthy Travel Packing List", "Travel Notices", "Advice for Travelers", "Find a Clinic", "Clinician Resources", "CDC Yellow Book", "Research and Surveillance", and "Frequently Asked Questions". The main content area features a map of Spain with major cities labeled. To the right of the map, a "Travel Health Notices" section is visible, including a yellow banner for "Level 2 Practice Enhanced Precautions" and a link to "Updated Global Polio". A "Hide" button is located at the bottom right of the notices section.

Example Email's

Two emails will be received for the initial process, examples provided on this slide. The first email will confirm drop-off. The second email will confirm the team has “picked up” your packet.

Please note, DoD Safe Drop Offs expire after 6 days.

Please contact the help desk via phone or email if the packet is not processed within 5 days.

*It is possible the packet may not have been received or an error has occurred.

[DoD SAFE] Confirmation of Completed Drop-off oGeBgeSDfswUueAF

[DoD SAFE] KRUEGER.BRANDON.STEVEN has picked up your drop-off!

NoReplyTo@mail.mil
To: Krueger, Brandon Steven PO1 USN BRHLTHCLININTC SAN CA (USA)

This is an automated message sent to you by the DoD SAFE service.

The drop-off you made (claim ID: oGeBgeSDfswUueAF) has been picked-up.

The file, SASS User Guide.pdf, was picked up by you, the sender.

You will not be notified about any further pick-ups of files in this drop-off by this recipient.

If this was a large drop-off (more than 200MB) and it has been picked up by all recipients, please consider deleting it on the "Outbox" tab, click on the ClaimID of the desired drop-off, and click the Delete button.

Full information about the drop-off:

ADDING PASSPHRASE PROTECTION

- From this page, a passphrase will need to be created. It must contain at least 10 characters. This passphrase will not be known to the recipient.
 - Once created, this passphrase will need to be sent to the suitability screening team so that your packet can be accessed.
 - Sending the passphrase can be done in two ways:
 1. Send via email: dha.san-diego.San-Diego-NMC.mbx.oss-help-desk@health.mil
- OR-
2. *Preferred method*
Include in the “short note to recipients” box.
(instruction on next page).

Encryption Passphrase

This passphrase will not be sent to the recipients.
You need to do this yourself.

Passphrase:

And again:

Must be at least 10 characters

OK

ALMOST FINISHED!

To Recipients:

OSS Help Desk <dha.san-diego.San-Diego-NMC.mbx.oss-help-desk@health.mil>

Short note to the Recipients:

Enclosed is OSS for Special Child 2
PASSPHRASE: 12345678910

- ☒ Encrypt every file (REQUIRED FOR CUI, PII, AND PHI)
- ☒ Send me an email when the Drop-Off is completed
- ☒ Send me an email when each recipient picks up the files

* Note must **NOT** contain CUI, PII, PHI, or the Encryption Passphrase
932 / 1000 left

- ☒ Confirm that the files in this upload do NOT contain classified information. By checking this box, you are confirming that the files do not contain classified information and are aware that your organization will be held accountable for non-compliant data sent through the system.

Preferred method for sharing Passphrase with team

Include passphrase into the “Short note to the Recipients” section.

Once this is completed, please click the box “Click to Add Files or Drag Them Here” and proceed to the next slide.

SEND THE PACKET

On this page, all attachments will be listed.

Please scan each packet separately to avoid packet mix-up.

Once packets are uploaded, click “Drop-off Files”. The files will get scanned and encrypted.

An email will be sent to the suitability screening email address. An email notification will be received to confirm packet has been sent and when packet has been opened/received by suitability screening staff.

Short note to the Recipients:

Enclosed are OSS paperwork for Child 1, Child 2, Spouse, etc.

| | |
|---------------|---|
| Alaska | Kodiak |
| California | Bridgeport, China Lake, San Clemente Island, San Nicolas Island |
| Florida | Key West |
| Hawaii | Barking Sands |
| Nevada | Fallon |
| West Virginia | Sugar Grove |

b. Dental Readiness. Class 3 dental status personnel are not normally suitable for remote assignment due to limited dental capabilities.

- Hawaii and Alaska count as CONUS. A screening is not required unless going to remote duty locations as outlined above or an operational command that has a suitability screening as a requirement.
- Dependents will not need OSS for CONUS locations unless being stationed at a remote duty location outlined in the chart.
- For example: Kodiak, Alaska.

SUMMARY OF REQUIREMENTS FOR
MEDICAL, DENTAL, AND EDUCATIONAL SUITABILITY SCREENING

| REQUIREMENT | SERVICE MEMBER | FAMILY MEMBER ADULT | FAMILY MEMBER CHILD |
|--|----------------|---------------------|---------------------|
| Medical Record Review (military and civilian) | R | R | R |
| Medical History (DD Form 2807-1) | R | R | R |
| Dental examination | R | R | 9 |
| Exceptional Family Member Special Education/Early Intervention Summary (DD Form 2792-1) | N | N | R |
| Routine physical, aviation, submarine, radiation, asbestos or other type of screening or examination as required | 1, 2 | 2 | 2 |
| PHA | 1 | N | N |
| Hearing examination (audiogram) | 1, 2 | N | N |
| Vision examination | 1, 2 | N | N |
| HIV test | 1 | 3 | 3 |
| Blood type | 1 | N | N |
| G6PD test | 1 | N | N |
| PPD test | 1 | 2 | 2 |
| Sickle Cell trait test | 1 | N | N |
| DNA testing | 1 | N | N |
| Immunizations | 4 | 5 | 5 |
| Annual health maintenance examination for Servicewomen | 1, 2 | N | N |
| USPSTF Screening Tests | N | 3 | 3 |
| Pregnancy screen | R | 6 | 6 |
| IFSP | N | N | 7 |
| IEP | N | N | 8 |

Legend:

- R - Required.
- N - Not required.
- 1 - Required if routinely due by transfer date or if not previously documented in medical record.
- 2 - Required if indicated by screening interview or review of military or civilian medical records, medical history, or CHCS data.
- 3 - Recommended but not required.
- 4 - Required if due or if specified for the destination country/location.
- 5 - Required if specified for the destination country/location; highly encouraged ACIP recommendations by age
- 6 - Recommended for females of reproductive age.
- 7 - Required if receiving early intervention services.
- 8 - Required if receiving special education and/or related services.
- 9 - Required if child is 6 months or older.

Summary of Requirements for
Medical, Dental, and Educational
Suitability Screening.

All requirements are categorized in this
chart but we have simplified every

Suitability Screening Process

30/60-Day Timeline Begins

Step 1: Orders or OSN received - conduct command review & initiate medical, dental & educational screening at supporting MTF immediately.
Action: Complete NAVPERS 1300/16 Part I; Provide one NAVMED 1300/2 (Checklist) and DD Form 2807-1 per Service member and family member for suitability screening information and documentation requirements
Responsibility: Transferring Command and Service member

Step 2: Conduct MTF preliminary reviews to ensure information and documentation requirements are in place.
Action: Collect paperwork to include DD Form 2807-1 and NAVMED 1300/2 (Worksheet) for each Service member & family member, DD Form 2792-1 for all dependent children to age 22 or high school graduation, review military and civilian medical records, and schedule medical, dental and educational screening with appointed medical and dental screeners
Responsibility: Screening MTF SSC

Step 3: Conduct medical, dental and educational screening
Action: Review NAVMED 1300/2, medical/civilian health record. Complete NAVMED 1300/1, Part I & II for each Service member & family member (shaded areas require inquiry)
Responsibility: Screening MTF's dental screener (dentist) and medical screener (military or civilian physician, nurse practitioner, physician assistant or independent duty corpsman (active duty only)).

Step 3a: Special medical and/or educational need identified? (Includes early intervention)
Action: Initiate EFMP enrollment (do not stop suitability screening process/inquiry) (DD Form 2792)
Responsibility: MTF EFMP coordinator

Step 3b: Suitability inquiry required?
Action: Forward inquiry documents to gaining MTF and DoDEA overseas screening coordinator (IEP & DD Form 2792-1)
Responsibility: Screening MTF SSC

Step 4: Determine medical, dental & educational suitability based on capabilities at gaining location
Action: Complete and sign NAVMED 1300/1, Part I & II for each Service and family member
Responsibility: MTF medical and dental screener.
NOTE: if the NAVMED 1300/1 is completed by a non-Navy MTF civilian, it must be reviewed and countersigned by an MTF screener.

Step 3c: Suitability inquiry at gaining MTF/Operational Platform/TRICARE/DoDEA
Action: Determine local healthcare, EDIS and/or DoDEA capability & respond to screening MTF within 7 working days
Responsibility: Gaining MTF SSC who coordinates with: Operational Platform SSC/ TRICARE Area Office/ EDIS/DoDEA

Step 5: Make medical suitability recommendation
Action: Review NAVMED 1300/1, Part I & II and complete & sign NAVPERS 1300/16, Part II; Forward completed 1300/16 to Transferring Command; File suitability forms in medical record and maintain archive
Responsibility: MTF CO

Step 6: Make suitability determination based on command review and MTF recommendation
Action: Complete & sign NAVPERS 1300/16, Part IV
Responsibility: Transferring CO

30/60-Day Timeline Ends

SCREENING PROCESS OVERVIEW:

If you have any questions, please ask the team!
