

NMCSD CLERKSHIP REQUEST GUIDANCE

HPSP & HSCP:

Clinical clerkships are available at the Naval Medical Center San Diego/Naval Medicine Readiness and Training Command San Diego to Navy HPSP and Navy HSCP students. Clerkship requests are only accepted via email by sending the application to the Graduate Medical Education Clerkship Office on a first-come, first-serve basis, depending on availability. Most clerkships require you to be here for four (4) full weeks. **Requests for one, two or three week rotations will not be approved.**

Please read the following in its entirety prior to submission.

We are currently processing HSCP and Non-Active Duty HPSP clerkship requests in addition to Active Duty requests. These HSCP and Non-Active Duty HPSP clerkship requests both require a Master Affiliation Agreement to be established in order to participate. These requests must be for 4 week rotations and submitted with 4 - 6 months of advanced notice prior to the date of rotation in order to fully process.

June - October audition/interview rotation requests of the following year will be accepted starting December 01 of the current year, at 12 A.M. Pacific Standard Time.

Students are limited to one rotation between June – October. Audition/interview season rotations are reserved for 4th year medical students only to accommodate the process of auditioning and applying to MODS for the upcoming JSGMESB selection cycle.

Students are required to schedule rotations which coincide with the NMCSD's block rotation schedule . **Requests for rotation dates which differ from the published NMCSD block rotation schedule will not be approved.**

Rotation Dates Available: (Dates in **Bold** are for 4th year Medical Student audition/interview rotations)

1/3/23 - 1/27/23

6/26/23- 7/21/23

1/30/23- 2/24/23

7/24/23- 8/18/23

2/27/23- 3/24/23

8/21/23- 9/15/23

4/3/23- 4/28/23

9/18/23 - 10/13/23

5/1/23- 5/26/23

10/23/23- 11/17/23

5/29/23- 6/23/23

11/20/23- 12/15/23

HPSP/HSCP POC: Email applications to the GME Medical Student Site Coordinator at:
usn.san-diego.navmedcensanca.list.nmcscd-gmestudentclerkship@health.mil

For HPSP students scheduling Non-Active Duty clerkships, there is the ability to switch your rotation to active duty. This switch must be made with ample time to request Active Duty Clerkship orders from HPSP. Requests to switch a rotation from Non-ADT to ADT will not be accept less than 8 weeks prior to the date of rotation.

If you have further questions about orders, funding, active duty rotations, or wondering when this will happen, please email NMPDC at USN.HPSP-ADT.Reimburse@mail.mil or USN.OHSTUDENT@MAIL.MIL.

Any other questions about NMCS D's clerkship program or training programs, email the GME Medical Student Site Coordinator.

ROTATIONS

ANESTHESIOLOGY	PEDIATRICS (Need a few months advance notice for each request)
Anesthesiology
