GME: OBGYN

34800 Bob Wilson Drive

San Diego, CA 92134

## Mission

The mission of the Naval Medical Center San Diego Obstetrics & Gynecology residency is to produce excellent comprehensive OBGYN physicians who are prepared for independent practice in the diverse clinical settings the Navy serves around the world. This mission aligns with the mission of NMCSO which is to prepare to deploy in support of operational commitments, deliver quality health services and shape the future of military medicine through education, training and research.

## Aims

- a. Provide residents with comprehensive training in the full spectrum of comprehensive OBGYN to ensure graduates are capable clinicians and competent consultants who can attain Board certification.
- b. Ensure that graduates possess the knowledge and experience to participate in and coordinate patient safety and quality improvement initiatives.
- c. Foster development of medical teaching skills that enable graduates to become exceptional teachers and contribute to the future of medicine.
- d. Enable residents to critically appraise the literature and design research projects.
- e. Support residents in finding an acceptable work-life balance and identifying appropriate avenues to promote wellness.
